When I spoke to you and Regina last week, you both said that Mike Bonin was trying to get you a grant to provide services. I saw him and asked him about that and understand a little more about what he's trying to do. I can help him and he needs it. I'd like to prepare a letter or brochure (or both) but need some help from you guys.

Here's what I need ASAP:

1 - An original photo of you guys. I like the one that's on the 1-sheet handout that Regina gave me last week. I'll return the photo.

2 - Give me a copy of every press release or newspaper article or any other written materials about the HTF you can get your hands on quickly. I'll return it all. Promise.

3 - Regina had a couple of lists or spreadsheets of your historical successes. Can I have copies? Again, I'll return them.

4 - Did you ever get anything from Paul Koretz Office?

Can you get this stuff to my office today? Call me if you want to talk. Thank you.
